

Analog/network keyboard for NVR IPC BCS

System overview

- 3 axis steering joystick
- Support NVR BCS
- Support camera PTZ BCS and other, universal protocol Pelco P,D
- Big graphic LCD makes keyboard easy to use
- Integrated network interface RJ-45\*, USB\* in KN-II
- High quality and reliability
- Outputs: RS232; RS485, RJ45\*, USB\*  
\*in KN-II

Technical specification

Model	BCS-DVR-KA-II/KN-II
Supported devices	NVR, IPC, analog cameras
Interface	RS-232 (NVR) RS485 (cameras PTZ)
Network interface/USB* only KN-II	Integrated network interface RJ45/Address IP /Smart PSS
Protocols	DH1, DH2
Cameras protocols	PELCO P; PELCO D; DH-SD
Functions	Display choose, recording control, on screen menu, support Smart PSS
PTZ functions	Preset, autoscan, pattern, tour, menu
Joystick	Three-axis Vector-solving Twisting Function Return to Center
Function buttons PTZ camera	Yes
Function buttons NVR	Yes
Alarm output	Yes
LCD	LCD 75,2x33,85mm
Power supply/consumption	12VDC / 5W
Working conditions	-10°C ~ +55°C
Weight	2,5 kg
Dimensions	330x160(140)x37,5(21)mm
